## 41 By Cycling

41 years of 41 INTERNATIONAL Commemorative Bicycling Initiative  
Exclusively for 41ers, Agora and Tangent members and families

Hi,  
How do you like the idea of celebrating 41 years of universal friendship by cycling together?

It will be a 20 kms bicycling ride on a level plane, with support wagon and the works, prior to the AGM in Landshut, Germany wherein Ex-Tablers, Tangent an Agora girls can participate.

Please let us know your suggestions and express all your concerns so that we can work out an enjoyable plan.(seehappy@gmail.com)

### What's in a Name?

#### Round Table Family of clubs

The Round Table Family of Clubs is a group of five social networking and charitable clubs that together form a worldwide movement of tens of thousands of people. The original club, Round Table, was founded in 1927.

The other four clubs and founding dates are:

Ladies Circle, 1932

41 Club, 1945

Tangent, 1953

Agora, 1987

It would be prudent to go by a common name as "Round Table Family of Clubs".

While retaining the individual characteristics of

each Organisation , it is advantageous in terms of numbers, worldwide recognition and impacting the society, to go under a common name.

Please share your thoughts and opinions regarding this idea. -**SID**

## 41 In Good Health in Iberia.

Iberia, that is Siberia without the 'S' and a lot more sunshine, with clubs in Algarve, Calpe, Costa Blanca, Costa Del Sol, Mallorca, Nerja and Porto.

Do you have a home in Portugal or Spain? Do you spend holidays there? Do you know of ex-Tablers who need to be told that they can enjoy 41 membership in Portugal and Spain? You and they will be very welcome whether as a member or as an occasional visitor. Club contact details are listed below.

The robust health of 41 across Iberia is seen in the annual Iberian Cluster, a social weekend held each autumn and hosted by one of the Iberian Clubs. Attended by 60 or so 41ers and partners, it has become a popular weekend and this year the 23rd Cluster will be hosted by Mallorca 41.

## Louis Marchesi Portrait to be hung in Uffculme

The Louis Marchesi Lodge No. 9558, a Devonshire Freemasons Lodge comprising past and present Round Tablers, celebrated their 21st birthday in September.

As part of their celebrations, and in a bid to support the Suckling Hall Redevelopment Project in Norwich, three of the Lodge members presented to the Lodge a limited edition signed photograph of RT Founder Louis Marchesi. The photograph was accepted on behalf of the Lodge by the senior lodge Founder member Roy Webber (ex- Tiverton Round Table No. 350). If there are any existing or former RT members in Devon interested in becoming a Freemason then they are invited to contact the Secretary, David Cox on 01404 814637 or 07850 825269.- Paul ex-Newton Abbot RT No. 279
