**LOVE**

Is The
Condition
In Which
The Happiness
Of Another Person
Is
Essential
To Your Own

May this Valentine's Day be filled with love, understanding, and contentment as you journey through life with those you hold dear.

Secretary 41 INTERNATIONAL

Past President 41 INTERNATIONAL
Billy Moss passes away

Albert James Moss (Billy to everyone), Former 41 International President 1986/87 and Former National President 41 South Africa 1982/83 died in hospital after suffering a stroke. He was 77.

Billy had an illustrious career in Round Table which included an eighteen months period as PRO for WOCO. Billy participated in countless fund-raising stage productions for many years, and would have the audience in splits with his drag impersonations. At the house parties guests would be entertained by him on the guitar until someone turned off the lights!

May his soul rest in peace

Note on

“Any other matter with the permission of the Chair”
Sid Secretary,
41 INTERNATIONAL

ANYOTHER MATTER WITH THE PERMISSION OF THE CHAIR

The Secretary of the organisation sends out a call for matters to be discussed in the forthcoming Annual General Meeting. Matters that are proposed in the required format are evaluated by the Board and may be accepted for discussion at the AGM. Then Notice for the Annual General Meeting is issued, usually 21 days in advance.

If there is any important matter that has come up between the date of issue of NOTICE and the date of meeting, the President or the person presiding over the meeting should have a prior consultation with the Board on the proposition or suggestions received as per the instruction or not. These proposals if acceptable will come under ANYOTHER MATTERS and taken up for discussion without prior intimation to all members.

However, if the Board or the person presiding the meeting feels that such a proposal or any suggestion or any resolution which they feel that is not legal or necessary to be placed before the meeting, he can deny to table such a proposal or suggestion before the meeting by giving his ruling.

MATTERS ARISING THEREFROM NOT COVERED ELSEWHERE

Matters Arising is a term used to refer to issues/subjects put up for discussion in a current meeting which originated from the minutes of the previous meeting. These issues were not discussed in the previous meeting and so are up for discussion in the current one.

May the hinges of friendship never rust,
or the wings of luvve lose a feather.

Toast from Dean Ramsey's *Reminiscences of Scottish Life*.
(Tracing the source of our motto)

Edward Bannerman Ramsay

This accompaniment of domestic drinking by a toast or sentiment—the practice of which is now confined to public entertainments--was then invariable in private parties, and was supposed to enliven and promote the good fellowship of the social circle.

There was a great variety of these toasts, some of them exclusively Scottish.

The ordinary form of drinking a health was in the address, "Here's t' ye."

Then such as the following were named by successive members of the company at the call of the host:--

May those who live truly be always believed,
And those who deceive us be always deceived.
Here's to the men of all classes,
Who through lasses and glasses
Will make themselves asses!
I drink to the health of another,
And the other I drink to is he
In the hope that he drinks to another,
And the other he drinks to is me.
Then let us toast John Barleycorn,
Each man a glass in hand
Andy may his great prosperity
Ne'er fail in old Scotland!

May the hinges of friendship never rust,
or the wings of luvve lose a feather.

The only trouble
with retirement...
you never get a damn day off!
